WT No 12-69

Dear Ms. Dortch:

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, we hereby provide you with notice of an oral ex parte presentation in connection with the above-captioned proceedings. On February 8, 2013, Mary Dillon, President and CEO of U.S. Cellular spoke by phone with FCC Chairman Julius Genachowski.

During the course of that discussion, Ms. Dillon discussed the Company's recent filing of a cost-benefit analysis, a copy of which is attached. She also stressed the significant consumer benefits which would flow from a dual band 12/17 interoperability rule and urged the Chairman to schedule a vote on the item for the March 2013 Open Meeting.

Sincerely,

/S/

Grant B Spellmeyer, Esq.
Executive Director – Federal Affairs & Public Policy
